CMAR8-W Marinhögtalare Rund

CMAR8-W Marinhögtalare Rund

CMAR8-W 8? two-way built-in marine speaker 8 ohms/100W

The APart CMAR8-W marine loudspeaker has been designed especially to offer quality sound even in the most difficult, humid and hot conditions. That's why we have combined the best quality components with rigorous engineering specifications. The result is a speaker that offers both durability and a superb sound. Especially for use in yachts, cruise ships or sauna's. CMAR is available in 5 ¼ inch, 6 ½ inch and 8 inch, so that there is always a speaker that exactly fits your needs!

- Superb sound and efficiency, even in humid environments.
- Top musical quality now available in a marine speaker
- Stylish but yet discrete
- 8" woofer – 1" tweeter
- 100 Watts program power at 8 Ohm
- Can be used in temperatures up to 95°C
- Sealing ring included for watertight mounting on flat surfaces.
- Especially designed fully plastic basket that protects against vertically dropping liquids.
- 316 grade stainless steel grille as an absolute guarantee against rust.
- 8 Ohm voice coil allows connecting up to 2 APart CMAR speakers to a 4 Ohm stable amplifier channel.
